

# WE'RE IN THIS TOGETHER

Vaccines work best when as many people as possible get vaccinated.

Already got your COVID-19 vaccine? Awesome!

Make sure your friends and family get their COVID-19 vaccines too.

Vaccines are the most effective tool we have to protect us and end this pandemic.

Encourage your friends and family to find their own reason to get vaccinated and help make their vaccination happen.

For more information, go to [vaccines.gov](https://vaccines.gov).
